branding

New starter
Orientation

Engage people on the move and give them the tools they need to do the job

Staff directory • Performance metrics • Real-time feedback & insight • Employee benefits
New vacancy alerts • New policy alerts • Team-specific KPIs • Orientation • Preference settings

Staff Connect, from Connected Health

Frontline to bottom line • Unlock the potential

Staff App

Revolutionising staff engagement

Keep in touch

- Find colleagues and services, anywhere, anytime.
- Keep information at your fingertips across sites or at off-site meetings
- Newsflash banner for urgent all-staff messages

Orientation & virtual tours

- Explore with confidence, getting messages along the way
- Plan journeys to and from work with live travel information

Be better at work

- Get notified when clinical guidelines, policies & procedures change
- Relevant documents at my fingertips
- Keep track of team performance & patient feedback

Have your say

- Team and role-specific surveys
- Questions pushed to me at each stage of a project or change programme
- Simple formats, powerful two-way engagement

Receive personalised alerts

- My messages on my smartphone
- Virtual team brief, tailored to my areas of responsibility & interests

Find opportunities

- Staff benefits accessible anywhere, anytime
- Job alerts and full vacancy information in the jobs section.

Stay in control

- All the benefits of the Staff Portal, on my smartphone
- Chose to remain anonymous, and manage confidentiality settings
- Switch notifications on or off

The power of the Staff Portal, in your hand

Raise your profile. Connect with your staff. Unlock discretionary effort, reduce turnover & improve retention through better staff engagement. Listen to your staff through meaningful staff surveys, brilliantly analysed.

'I manage my life through my smartphone. Why wouldn't I want to manage my work through my smartphone too?'

Nick Hulme, CEO, The Ipswich Hospital
